Dear Mr. Delaware,

This is in response to your Freedom of Information Act (FOIA) request dated 31 Jan 19. Your request was received at AFPC/DSMIF on 31 Jan 19, and assigned case # 2019-01806-F. Your request seeks releasable information on Fiona Mikayes as follows:

A copy of the United States Air Force's Personnel Files on Fiona Mikayes, including performance reports, job assessments, disciplinary records, training received, discharge papers, and any other releasable records.

The Air Force Personnel Center (AFPC) searched all records contained in the Military Personnel Data System (MilPDS), Defense Eligibility Enrollment Reporting System (DEERS), and National Archives Records Administration (NARA) databases. Based on search terms you provided (Name, DOB and SSAN) AFPC was unable to determine that the individual served in the United States Air Force under that Name, DOB, and SSAN.

All record systems were searched that are likely to contain records requested. There are no records maintained by functional OPR relating to subject matter of FOIA request. To our knowledge, no other records systems are likely to produce any responsive records. Additionally, we are not aware of any other agencies that would likely maintain these records.

IAW Department of Defense Manual 5400.07 AFMAN 33-302, Section 6.2.h. "A record must exist and be in the possession and control of the Department of Defense at the time of the search to be considered subject to this Regulation and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy a FOIA request."

If you interpret this "No Records" response as an adverse action, you may appeal this decision by writing to the Secretary of the Air Force within 90 calendar days from date of this letter. If no appeal is received, or if appeal is postmarked after conclusion of this 90-day period, appeal may be considered closed. Include your reasons for reconsideration along with a copy of this letter. Mail to:

Secretary of the Air Force
